1. New students must apply for admission and be admitted to Troy University before aid will be processed or awarded. **Please contact the Admissions Office at the campus you plan to attend or visit www.troy.edu/admissions/ .**
2. Please go to the fsaid.ed.gov website and create an FSA ID. An FSA ID is comprised of a username and password and can be used to login to certain Federal Student Aid websites, such as the Free Application for Federal Student Aid (FAFSA). Your FSA ID can be used to electronically sign your FAFSA. If you are a parent and need to electronically sign your child's FAFSA, you will also need your own FSA ID.
3. All students must complete the Free Application for Federal Student Aid (FAFSA) every award year. You may apply online at <https://studentaid.gov/h/apply-for-aid/fafsa> or complete the paper application after October 1st for the upcoming academic year. If you graduate high school in 2023, you should complete the 2023-2024 FAFSA. Read and follow all the instructions on the form or if online use your FSA ID to electronically sign and submit your application. Use Federal School Code Number 001047 for all Troy University sites and locations. Financial aid is never renewed automatically. If you have questions about completing the FAFSA, making corrections, or adding Troy University to an existing FAFSA call 1-800-4-FED-AID. Upon receipt of your FAFSA, if you have been admitted to Troy University, you will be notified via e-mail for any additional information we may require to complete your financial aid application at Troy University.
