

LIVING EXPENSE STATEMENT

2023-2024

Call 1-800-414-5756 for questions

On your Free Application for Federal Student Aid, you either did not provide income information or you provided income information that seems unusually low.

Using this form, please indicate how you provided for yourself (and your family if applicable); or if this form is for your parents, how they provided for themselves. If an agency or family/ friend provided assistance for you or your parents, then please identify who is helping you (or helped you last year) and how much they are providing for you (or provided for you last year) on a monthly basis. In order to continue processing your award, you must explain how you were able to meet your expenses for the 2021 calendar year. Your award package for the 2023-2024 school is determined using your 2021 financial data (January - December 2021).

Student's Name: _____ **Student ID Bi a Vyf:** _____

Please indicate who this living expense statement is for (check one only):

Student

Parent(s)

If you need one for the student and parent(s), submit an additional form.

If you are not receiving cash benefits, then please indicate the amount of **monthly assistance** you are receiving for the following items. *For example, if your friend or family member pays \$600 in rent and there are four people living in the apartment, including you, then your share of the rent that is being paid on your behalf would be \$150 per month.* **Some items may not apply.** (if any items are zero please indicate below)
